

SUPPLY LIST - 2025
Watercolour with Nora MacPhail

PAPER - 9x12" FLUID BLOCK brand watercolour paper is an excellent affordable brand.

I use the hot-pressed (green cover) but feel free to buy the cold-pressed (textured) if that's what you're used to.

WATERCOLOUR PAINTS - 7 COLOURS

Cotman Brand is fine (student brand) or Winsor Newton Artist Quality but it's pricey.

Yellow Ochre

Cadmium Yellow Light

Cadmium Red light (option - Cadmium-free)

Permanent Rose (option - Alizarin Crimson)

Cerulean Blue

Ultramarine Blue

Burnt Sienna.

PALETTES - any plastic palette with a lot of mixing spaces. A palette that closes is helpful when storing it.

BRUSHES - I use the Princeton Long Round called Velvet Touch from the Above Ground Art store on McCaul. They are nice and pointy and not too expensive. However, any decent quality synthetic watercolour brush are fine. SIZES 6-10

PENCIL - 2B or 4B.

BOARDS - (to tape watercolour paper to) are supplied by Artbarn.

OTHER - Water container, paper towels, masking tape (for paper on boards) and gum erasers.
